

EVEN BETTER THAN A GUARANTEE:

Invision Homes' Rapid Build Times Deliver on Promises

When it comes to investment properties, time is money. At Invision Homes, we're not only meeting our ambitious 26-week build guarantee – we're beating it by a substantial margin, with recent builds completed in just over 17 weeks on average. Here's the real proof: from the first day on-site to the issue of the completion certificate, our last six homes were completed in record time, with each build averaging only 17 weeks and one day.

How We're Achieving Unmatched Efficiency

Our ability to deliver investment homes in well under 26 weeks isn't by chance – it's the result of meticulous planning, loyal partnerships, and a committed team. Here's how we do it:

Innovative Construction Planning:

Developed by Brad, our expert Construction Manager, our unique planning system streamlines every phase, minimising delays and keeping projects on track.

Reliable Suppliers:

By building long-term relationships and ensuring prompt payments, we can count on timely, reliable supplies every time.

Dedicated Trades Loyalty:

Our tradespeople consistently work on Invision Homes projects, ensuring they move seamlessly from one job to the next without gaps.

A Close-Knit Team:

With a unified support team all striving for the same goal, we maintain consistent communication, efficiency, and quality across every build.

Invision Homes is committed to delivering quality homes not just on time but ahead of time. We understand that for our clients, a faster build means a quicker path to returns, and we'll continue to push the boundaries to bring investment homes to market faster than ever.

With **Invision Homes**, your investor clients can rest assured knowing their property is in reliable hands – **guaranteed**.
